Business Meeting

The meeting was held on the 19th at Macedonia Church. There were 49 members in attendance. Our president, David Larrabee, presided over the meeting.

- The 50/50 raffle was held.
- The President asked for discussion about if your boat functions at take-off but breaks down after take-off. Consensus was you are in the tournament and your entry fee will not be refunded or credited to next tournament if your boat functions at take-off.
- The letter from a Lake Murray Homeowner requesting limiting fishing around boat docks was not brought up by Legislature.
- The President discussed the need for any rule changes to be written in the format Currently says-Change To and provided to him in time for discussion to be held at the October meeting and the voting to be held at the November Meeting.
- The President discussed the need for the nomination committee to identify potential candidates for Tournament Director, Treasurer and

possibly President. Our current President, David Larrabee is willing to serve one more year if that is the pleasure of the club members.

- Slim pickings and the need for members to try and secure Door prizes for the annual banquet was discussed as well as the need to coordinate who is contacting businesses to prevent multiple club members from contacting the same business.

- Tournament pairings and take off were announced.
- The meeting was adjourned.

A little extra weight for me.
