

# LAKE MURRAY SENIORS BASS CLUB

## SEPTEMBER 2010

### SEPTEMBER BUSINESS MEETING

The meeting was held on the 15th at Macedonia Church. 47 members were in attendance. Our president, David Larrabee, presided over the meeting.

—A 50/50 drawing was held for \$45 and Skip Parker was the winner.

—David mentioned an email concerning fishing and lead. The EPA has a proposal to ban all lead from fishing products. If done, the result will be an increase in the cost of fishing items.

—The weather is cooling down and the club decided to go back to using individual bags during weigh in instead of controlling the number of bags available. Please use common sense and do not form a long line with fish in the bags.

—During our August tournament, DNR was waiting for us to leave and was looking for light usage. One individual was stopped for the front light not working. The officer then told the individual that all boats had to stay at least 250 feet away from a blue light. Remember, lights are to be in use between official sunset and official sunrise, not safe light.

—Any proposed rules or by law changes are to be submitted during the October meeting. Please make any proposals in writing. Discussion will occur in October and voting in November with no further discussion.

—Election of officers for next year is upon us. To this end, a Nominating Committee was formed consisting of Peter Hamel, John Berta, and Kevin Ormerod. They will bring recommendations to the floor for consideration by the club. Members may still make nominations.

—On Saturday, October 2nd, there will be a 70th birthday party for Wayne Fulmer at the Fairview Community Center from 3:00—5:00.

—Remember the following members: Russell Burke; Bill Lee had back surgery; Wayne Fulmer and his wife; Willie Crocker will have eye surgery on October 12th; Foote Tate; Billy Howell will have surgery in the near future; and Mike Bailey whose sister recently passed away.

—Pacolet will fish Greenwood on the 23rd from 7:00—2:00.

—Sammy has t-shirts and hats for sale. Also, he reported that DNR is pushing for a 5 fish 14 inch limit on bass. This has to be approved by the DNR board and passed by the legislature.

—Dave McClintic asked our blessing and lunch was served.

—David and Sam Gray then conducted the draw for our September Tournament. Twenty five boats and fifty members are scheduled to blast off at 7:00 with weigh in at 1:00.

—The meeting was adjourned.

Next meeting is on October 20th  
@ 11:00 @ Macedonia Church.

Menu will be ham, lima beans, potato salad, slaw, and rolls.

Cost is \$7.00 per person.
